Presidents Message
By Dallas R. Meyer

Well the convention is just around the corner and time will fly between now and then. Jane and I have already started getting thing together that we need to take to Portland. We have cleaned all carriers and have been working on the trailer getting it ready. I am excited to be driving out to Portland. I can't wait to see the Northwest in a vehicle. We are leaving on Monday and hope to get there by Thursday, so if I look wore out and act cranky the first couple of days you will know why.

Some of you know there has been a change in the judging assignment for Havanas. I received an email from Roger Hassenpflug on September 29th letting me know that Maddie Pratt will be doing the youth and Todd Naragon will be doing the open with another judge added only if numbers of animals entered justify it. When talking to Roger there were a number of judges that cancelled out of this year's convention.

Tanya Zimmerman will not be at the convention this year so if you are planning on paying your dues at the convention you will still be able to do it but if at all possible please send your renewal to her before the convention. I am asking every director of the club to spend some time in the booth to help take care of renewals and new memberships. If any of you attending the convention need a place to rest for a while please come and help in the booth. On judging day we will need a couple of members to step up and help out at the show table. We always need a writer and someone to record the placements on the convention's paperwork and runners are always needed. I know there will always be a few members that will run animals from cages to and from the table. I also know that every year that distance seems to get farther for me.

I want to remind all members that are at the convention to attend the meeting on Tuesday at 12:30 in room D201. This is where members get the chance to voice their concerns about the club. This is also where we will hand out awards for the past year's sweepstakes so please eat an early lunch and be in Room D201 on Tuesday.

There will be NO raffle at the booth this year. Instead there will be a silent auction. We are hoping this will free up some people from having to sit in the booth all day. We are asking for members to put together a basket or bring some really neat items for the auction. There are a number of breeders from Illinois that will be bringing items from Illinois and putting them together for a bigger basket. I know there will be some wine in this basket.

There are a couple of director's positions that need filled and these will be announced at the convention. Also there will be some committee changes for next year so watch for these changes in the next newsletter.

As you read this newsletter you will notice that someone else besides me put it together. I want to thank Gwen Erickson for stepping up and wanting to try her hand at the newsletter. I would like to take this time to ask breeders to put an ad in the newsletter. Ads will help offset the cost of the newsletter. Hopefully we will be able to address the ad prices in the director's meeting and have some firm prices in the next news letter.

Julie Spier is putting the new guide book together and is taking ads for it. If you would like an ad please contact her. Her email is on the web site and she will be more than happy to help you.

The next newsletter will be out shortly after we get home for the convention. We will have the results from the convention and pictures. If you have something to share with other breeders put together an article and send it to Gwen. We are always looking for BIS winner photos for the newsletter.

Hope to see you in Portland.

Hello to all! Well it is that time of year again when most of us are getting ready for the ARBA Convention. This year my family will not be attending, as we are heading to Florida on a family vacation to Disney. Good Luck and Safe Travels to all who are attending.

This year the club will not be holding a raffle, but instead there will be a silent auction. Be sure to pack a nice item or go in with breeders from your area and put a basket together. This fundraiser helps the club pay for the booth.

Since I will not be attending convention, the best option for renewing your membership is to just send to me directly. They will still take your renewals at the booth, however there will be delays in processing as I need to wait for all the paperwork to make its way back to me.

The 2014-2015 sweepstakes have been finalized. You can find the results in this issue of the newsletter. The top six in each variety and total points, top three in fur, and top 3 for Quality Points in each variety for both Open and Youth will receive an award at the Convention for their winnings. Remember that the sweepstakes run from August 1st to July 31st each season. Also, remember that the show must be HRBA sanctioned to receive points. You can always check the website, the newsletter, or contact me to see if a show is sanctioned or not. If you will not be attending convention, please make arrangements for someone to come pick up your awards to save the club postage for mailing these all out.

As always, if you have any questions or concerns please feel free to contact any board member to express your concerns. Remember you have a voice in the club as a member and if you want to see a change in the club please voice your opinion.

Hello from Illinois! Sorry it's been so long since I've chatted with you guys, my life has been pretty crazy. In rabbit news, I've been moving and had to downsize severely as well as cut back on shows, but I now have over 40 juniors in the barn and plan on making the trek to Portland this fall! In prep for traveling I have a few pieces of advice. Make sure the rabbits are comfortable for the trip and have enough room to lay down in the carriers. If you have some that are not eating as well as they should then use rolled oats and/or hay to both get them eating and get fiber into them. Fiber is extremely important to keep their GI tracts moving, and loose hay is one of the best ways to get it into them. Also, if you put Terramycin (oxytetracycline) into the water it will both help keep them eating and help prevent diarrhea during the trip. I hope we all have a safe trip and hope to see many of you there! Julie, Dera and myself (mainly Julie and Dera) will be presenting the Lilac variety for a 2nd try at 1st showing this fall. Keep your fingers crossed we pass this time! Julie and Dera have a great group of animals coming up, and I hope to finally get a bigger group going now that I'm all moved. Well, good luck at the show tables!!!!!

Rabbit numbers are up here in South Dakota. Our state fair seen an increase in numbers , due to the fact of no birds I assume. Our state shut down a lot of the poultry shows due to bird flu , so kids were scrambling for something to show. I've sold a lot of rabbits this year , so havana numbers up and they have been competitive . The South Dakota state show will be held in Sioux Falls on Oct 10th and 11th. Hoping for good weather and a great turn out.

I'm still on the fence of sending rabbits to convention or not. I had a bad experience sending rabbits last year as I lost 2 animals. 1 I even sold and had to refund the money to the kid. I hope to get him something down the road.

Message from Amanda

As I write this, we are exactly a month out from convention. I'm sure everyone is busy prepping and trying to figure out entries. Don't forget to pack something in your bags for our Havana raffle. I know that there is going to be some new first time Havana exhibitors this year at convention. If you see someone needing help, make sure to share your expertise. We all know how overwhelming it can be.

If you are attending convention I highly recommend attend RabbitCon. It's full of knowledge by many amazing people. You are able to sign up when you do your entries.

It should be noted that the Havana judges listed in the catalog are not correct. The youth judge is Maddie Pratt and Open is just Todd Naragon.

Good luck to the presentation of our new Lilac variety. See you all in Portland!

Greetings from the Mitten! I hope everyone is enjoying this cooler weather and the beginning of the fall show season. As I write this article I am getting ready to head to New York to judge at Grand Finals which is essentially the New York State Convention. If you have never attended this show, I highly recommend it!

I did not receive anything regarding show results for Michigan and the Northeast. Please don't hesitate to send me an e-mail (kyleyac@gmail.com) or Facebook message with shows results or anything you would like included in the newsletter. The one Havana win I can report is from the Great Lakes R&CS show in August where Doug Heath won BOB in both open shows and BIS open show A with a beautiful Broken Black doe.

Unfortunately that is all I have to report at this time. Safe travels to those going to the ARBA convention in Portland. See you there!

Kyle

Message from Annette HInrichs

Hi Out There in Havana Land!

Let me introduce myself, my name is Annette Hinrichs and I am your booth chairman for the Portland Convention. I live in California and am an active member of the Western Havana Owners (WHO). We just wanted to let you know that we are hard at work on our HRBA booth and social and to share how you can be involved. We will be setting up the booth on Friday morning so come lend a hand or drop off your Silent Auction items as WHO members will be there all day to receive them. We will be accepting donated articles for the Silent Auction on Friday and will be grouping some items to create nice sized Auction baskets, so all contributions are welcome. We welcome your assistance in keeping the booth staffed throughout the convention, please contact me to inquire how you can help.

The highly anticipated Social will be Saturday from 6:00 pm – 7:00 pm. Since this is Halloween we will be providing candy to trick or treaters, so feel free to contribute to this and bring a snack to share for the Social. The club will be providing soft drinks, water and wine along with light snacks. As a special Halloween treat The WHO will be providing a special limited treat (not trick!) to non-WHO members attending, so make sure to get there early!

So come on down to the HRBA Chuck Wagon, draw up your chairs around the camp fire and have a have a good 'ol North Western blast as we Haul Our Best To The Great Northwest!

If you would like to contact me I can be reached via email at hinrichs9@comcast.net or my home phone is 707-894-5635 please remember I am on Pacific Coast time. Looking forward to seeing you all in Portland!

Auction Committee Report

Are you "Bringing your Best to the Great Northwest"? The Convention is just a few short weeks away and it's time to plan for "Have a Havana Auction" and purchasing those new bloodlines that you've been thinking about all year long or at least since you got home from the Spring Nationals. The Havana Auction is a great opportunity to purchase those Havanas and/or support the National Havana club. Proceeds from the Havana Auction are split 50/50 between the Havana RBA and the seller. Or if you want to support the Havana Youth Scholarship, this is perfect time to donate your part to that fund.

We will continue the same format for the "Have a Havana Auction" as we have in the last few year's. There will be a limit on the number of rabbits, the number that each exhibitor may put in each variety and only one buck per variety/per exhibitor. Also, we will continue with the one-way traffic. Please note, as long as you move in the same direction, you are welcome to skip past any rabbit or go ahead of others who are looking/handling rabbits/varieties that you may not be interested in. The Auction will be on Tuesday, Nov. 3rd. Time will be posted during the convention.

Auction Guidelines:

-Sellers Limit: 2 rabbits per variety per exhibitor. Not more than 1 buck per variety. No limit on does.
-Auction Limit: There will be a limit of 24 Havanas. Additionally there will be a limit of 6 rabbits per variety (6 Black, 6 Blue, 6 Chocolate and 6 Broken). Slots will be filled on a first come basis.
-Each rabbit/pedigree must be accompanied by a completed sales slip.
-All rabbits must have a full, 3 generation, pedigree that must be presented to the auction committee before the start of the auction. Accumulated leg/legs, Registration and Grand Champion paperwork, etc. are also nice to have with the pedigree if possible.
- We ask that you not place DQ'd rabbits in the auction. Sick rabbits will be asked to be removed from the Auction viewing area.
-Seller has the right to set a minimum bid on each entry.
- If there is any information that you would like the auctioneer to say about your Havana during the auction, i.e. how it placed in the show/shows, or if they are related to a particular rabbit, etc., please place a note with the pedigree.
-Youth rabbits placed in the Auction need to be marked so that buyers know to pick them up in the Youth Havana area during check-out.
-Deadline to declare an auction rabbit is Monday, Nov. 2nd, 6 p.m.

If you plan to place a rabbit/rabbits in the auction, you can reserve your slot ASAP (shoot me an email or text) any time before Monday, Nov. 2nd, 6 p.m. During the convention, we have coop tags (and zip ties) available for you to hang on the coop for each rabbit that has been declared for the auction. Also there is a red notebook in the Havana Booth or with me, to place your pedigrees for your declared auction rabbits or to look at the pedigrees of prospective purchases before the auction.

I look forward to seeing everyone in Portland! Travel Safe.
