PRESIDENT'S MESSAGE

DALLAS MEYER

Well the summer heat is here and humidity weighs heavy on you the minute you walk outside. The temperature today was 87 degrees at noon with a 103 heat index. I feel sorry for the animals outside. How some of you that live in the Deep South do it day after day I will never know.

Well it will not be long and you will be receiving ballots to vote on constitution changes. Please take time and read through the changes and vote. This is one way that you can make a difference in how the club moves forward.

Again this year we did not have enough members that want to be a director of the club to fill the ballots, and to think a couple of years ago someone thought we should have a director from each ARBA district. This means I will have to appoint two directors to the board. I have a few people in mind, but would like to know if there is someone else out there that would like the position. If you would be interested in being a director of the club please contact me and let me know.

The convention is just around the corner and it is a long way to drive but we are planning on making the trip again this year. I always look forward to the ARBA convention, it gives me a chance to meet new people and get together with old friends. I know for some of you this will be your first convention so please introduce yourself to a number of people and learn a few things. This will be our family's 33rd straight convention and I hope the years just keep adding up. See you in San Diego.

VICE PRESIDENT'S MESSAGE
DEB MORRISON

Hello Fellow Havana Breeders!

It's that time of year, everywhere we look, everything we hear, there is a reminder that we as American's have a right and an opportunity to vote. This holds true for us as members of the ARBA and Havana RBA. Everyone should have received their ballots from the ARBA, and the Havana RBA ballots will soon be on their way. Please take time to read over the Directors profiles and Proposed C&BL's changes included in this issue of the Havana News. Most importantly, I encourage everyone to mark and return your ballots so that your voice will be heard in each of these elections. On a positive note, I hear that we Havana Members are in the above average percentile when it comes to returning our ballots. Keep up the good work!!!

Over the last several weeks and even months there has been plenty of disturbing conflicts and turmoil within our nation. These things often bring us back to our priorities, goals and maybe a little reflecting and refocusing. As I reviewed our current C&BL's and prepared the submitted change proposals, I read the portion about the Objective of the Havana RBA.
****Article 2, Section 1. The objective of the Association shall be to promote and encourage the breeding of the Havana Rabbit, to develop and improve the Havana Rabbit, to maintain a standard of perfection for the Havana Rabbit, to advance and protect the interest of the members and breeders of the Havana Rabbit, to advise the advantages of the Havana Rabbit for food, fur and fancy, and to establish and maintain a well-organized central source of correct and reliable information about the Havana Rabbit.****
As a whole, I think that we can be proud of our club and what it stands for. We have a membership with a great heart and a group of Officers and Directors who take into account the best interests of the Havana RBA.

Keeping with a positive note, I'd like to ask a question….When was the last time or have you ever said; thank you to the comment taker who took comments for your breed after they were judged? This is very interesting concept that took me off guard while I was taking comments at a show I just attended in Wisconsin. Wow!!! I try to make a point to shake hands and thank the judge after he picks BOB and BOS, but never thought to show a little appreciation to the comment taker. Comment takers or clerks have an important job of being the link between the judges and show secretary. They can either be a giant blessing to the show secretary or make her job a living H. E. Double Hockey Sticks!!!!! You have heard me say before, "Are you part of the problem or part of the solution"?
Here is a fun challenge….the next time you exhibit your rabbits, have fun, be an encourager and don't forget to thank the comment taker.

Other things to check off of your to do list…..order convention catalog, continue to make travel and motel plans for convention, start looking at breeding dates for the 2017 National Havana show. The show will be in Hutchinson, KS, April 22, 2017.

Stay cool. Look forward to seeing everyone in San Diego!

SECRETARY/TREASURER'S MESSAGE

TANYA ZIMMERMAN

Wow….it's mid-July already, where is the time going? Feels like just last week I was at Havana Nationals.
Show Reports have been coming in pretty steadily and most have been on time which helps a lot. As a reminder, the sweepstakes year ends on July 31st. Clubs have 30 days to get me their reports. If I have late reports, I do follow up with these clubs until I get everything!! Check over the current standings in this newsletter and let me know now if you have any questions. My goal is to have the sweepstakes done by September 15th at the latest pending on clubs getting me their reports.
The membership number is decreasing….as fellow breeders lets promote new breeders into joining….include a year membership with each sale or have membership forms available at each show to hand out when you see new people at the show tables.
Also after this issue the ballots will be mailed to all the adult members of the club. Please take the time to vote!! We have 10 perspective judges on the list and several important constitution and by-law changes to better the operation of our club.
Until next time, keep promoting the Havanas!
Tanya

DIRECTORS MESSAGE

BLAINE HYDE

Hello from South Dakota ! Summer is in full swing here, with the temps in the 90's. It has been a struggle to keep those animals cool this year. Lots of ice bottles in the cages and a few more fans purchased.

Zimmerman's came over to a South Dakota show this June , so our havana numbers were up. I think 40 head were shown as Alan Wilts and Deb Hoaglund came over from Minnesota as well. I got lucky enough to win 2 best of breeds in the open and Zimmerman's took best of breed in the youth and in the specialty . It was wonderful to see Tanya as I missed nationals . We had enough time to talk and catch up on the status of our families and even talked some havana business. We do have one of the best secretaries in this business.

Until next time,

Blaine Hyde

**** Please note that some members are having problems with newsletter. Please let me know as each android/PC/Apple product can be different and call for specific instructions. Also, I would love to have your articles for the next Newsletter by September 20, 2016.****

DIRECTORS MESSAGE

MOLLIE JUDD, YOUTH DIRECTOR

My name is Mollie Judd and I am from LaCygne, KS. I have been blessed to be the new Youth Director for the HRBA. I have raised Havanas since 2013, starting out with the Black, Blue, and Chocolate varieties, focusing now only on Blacks and Chocolates. I got started with rabbits as my 4H project when my older brother got out of FFA. I chose to focus only on Havanas because of their disposition and the fact that while they are not overly popular they are well represented at shows. The most challenging aspect for me has been getting the dark rich chocolate color in my rabbits. My hobbies outside of rabbits are crocheting, reading and working with an organization called Alpha Christian Children's Home. I am excited about the opportunity to be a voice for the Havana Youth and look forward to meeting and working with Youth breeders from all over.

PROPOSED CONSTITUTION AND BY-LAWS CHANGES – DEB MORRISON, C&BL'S CHAIR-MAN

Listed are the proposed C&BL's changes, please look them over. Voting ballots will be in the mail soon. You will find 5 proposals with current wording, proposed change and pros and cons about each. If you have any questions, please feel free to contact me.

Chairman's notes:
Proposed Change #B-1, Article 11- National All Havana Show – Section 1, which addresses how we make take bids and make selections for the spring national show. Out of curiosity, I polled several national breed clubs to see how their spring national show was handled. Several clubs have a vote of the membership at the ARBA Convention, like the Havana club does, and there were others who left that decision up to the their Board of Directors, but none of them had a membership wide vote on that particular item.

Proposed Change #B-2, Article 11 – National All Havana Show – Section 9.
The current radius of 500 miles is 8 to 10 hour drive. Youth may be most effected by the proposal as they don't always have support or the finances to make shows, unless they are local. Those who do show at the National show are rewarded with double Sweepstakes points.

Proposed Change #B-1, Article 11 – National All Havana Show – Section 1

Current Wording
The National All Havana Show shall be selected from bids at the Annual Meeting at the American Rabbit Breeders Association Convention and Show. Bids are to be presented or mailed to the Havana Secretary prior to the Annual Meeting, stating the sponsoring club, proposed show date and location by a Havana member who will probably be the Havana Show chairman. The All Havana Show may not be held in the same state two years in a row. If more than one bid is received, a paper vote of members present determines the majority wishes.

Proposed Change
The National All Havana Show shall be selected from presented or mailed to the Havana Secretary by July 1st, stating the sponsoring club, proposed show date and location. If more than one bid is received, bids shall be added to the official ballot issued by the Secretary, between August 1st and September 1st, and shall contain the National All Havana Show bid proposals. The All Havana Show may not be held in the same state two years in a row.

Reason: The entire membership would get a voice in selecting the location of the National All Havana Show. There are a lot of members who can not always make it to an ARBA Convention to vote on this matter.

Pros:
Every voting member of the National Havana club would be able to vote for the location of a future National All Havana show. Currently this decision is made by the club members who attend the Havana meeting during the ARBA Convention.

Cons:
-Those who are interested in hosting a National All Havana show would need to have their proposals ready and turned into the Secretary before July 1st so that the bid can be printed and placed on the official ballot with the Officer Elections and C&BL's change proposals. Currently the deadline is just prior to the Havana meeting at the ARBA Convention.
-There would be extra expense for the National Havana Club to print the pages with all the bid information to be placed on the ballots. Note: the bid proposals voted on for the 2017 National All Havana show had a total of 3 pages printed front and back. That may seem like only a few added pages, but multiply that by the entire Havana membership, the cost of paper, printing and postage.

2016 PROPOSED CONSTITUTION AND BY-LAWS CHANGES

Proposed Change #B-2, Article 11 – National All Havana Show – Section 9

Current Wording
The Havana Rabbit Breeders Association shall not issue a Havana sanction to any Club within a 500 mile radius of the show site (excluding the show site) for the same date as the National All Havana Show.

Proposed Change
The Havana Rabbit Breeders Association shall not issue a Havana sanction to any Club (excluding the show site) for the same date as the National All Havana Show.

Pros:
-The members of the Havana Club and the National Havana club itself would be in 100% support of the host clubs who are putting on the National All Havana show.
-Members who attend local shows instead of Nationals can still attend and earn legs at the local shows.

Cons:
-No other Sanctioned Havana shows on the same day as the National show (excluding the show site).
-Sweepstakes points would not be available for members who attend local shows instead of Nationals.

Proposed Change #B-3, Article 11 – National All Havana Show – Section 11

Current Wording
Rule 3 – The seller's class rabbits will be on display throughout the entire show in a designated area with the pedigree displayed. Any rabbit entered in the regular show may be placed in the seller's class.

Proposed Change
Rule 3 – The seller's class rabbits will be on display throughout the entire show in a designated area with the pedigree displayed. Any "Havana" entered in the regular show may be placed in the seller's class.

Reason: Adding the word "Havana" clarifies exactly what breed of rabbit may be placed in the Seller's Class auction held during the National All Havana show.

Proposed Change #B-4, Article 13 – American Rabbit Breeders Association Convention and Show - Section 3

Current Wording
Rule 3 Any rabbit entered in the ARBA convention may be placed in the auction after it has been judged.

Proposed Change
Rule 3 Any Havana entered in the ARBA convention may be placed in the auction after it has been judged.

Reason: Adding the word "Havana" clarifies exactly what breed of rabbit may be placed in the Have a Havana auction held during the ARBA convention.

2016 PROPOSED CONSTITUTION AND BY-LAWS CHANGES

Proposed Change #B-5, Article 14 – Official Sanction

Current Wording
The sponsoring club agrees to pay a minimum of $5.00 for Best of Breed, $3.00 for Best Opposite Sex of Breed, $2.00 for Best of each variety, provided there are ten (10) or more Havanas entered.

The sponsoring club agrees to pay at least $2.00 for Best fur, providing there are five (5) or more entered, all competing together.

Proposed Change
The sponsoring club agrees to pay a minimum of $5.00 for Best of Breed and $3.00 for Best Opposite Sex of Breed, provided there are ten (10) or more Havanas entered.

Remove the words:
$2.00 for Best of each variety.
The sponsoring club agrees to pay at least $2.00 for Best fur, providing are five (5) or more entered, all competing together.

Reason: These two rules are somewhat obsolete and put an added burden on the sponsoring clubs to pay for and remember to award these additional specials.

Proposed Change #B-6, Article 14 – Official Sanction

Current Wording
Sanction Fees – Open, $7.00, Youth $5.00, combined $10.00.

Proposed Change
Sanction Fees – Open & Youth combination $10.00, Youth only $5.00.

Reason: Encourages sponsoring clubs to purchase the $10.00 sanction for both Open and Youth. Would benefit the Havana RBA financially by raising the Open only fee by $3.00.

IMPORTANT THOUGHTS FROM DALLAS……

Well some of you might have seen my post on Facebook that we were having a problem in the rabbitry. We lost around 30 animals in a two week period. The main issue was that animals were not eating or drinking and would die in a few days. At first it was just middle age bucks around a year old then it started hitting all ages of rabbits. There were no symptoms that were visible. After raising rabbits for more than thirty years you have a good idea what is going on and know how to get them back on feed when they quit eating. Everything we tried did not work. I had talked to four different vets and we were all stumped. I was given directions on how to keep them hydrated with an IV drench and told to give them an antibiotic. This still did not do it. We even took one to the University of Illinois to have it posted. Still have not found why they were going off feed. We finally found that there were some signs of Coccidia but the vets still do not think this is the cause for them to stop eating and drinking but we are treating every rabbit on the farm, around 140 of them, for seven straight days. We now have the cleanest rabbitry after power washing all the cages and carriers and bleaching everything we could. We have been treating all the sick animals with a Probiotic Electrolyte paste and a special feed prescribed by the vet called Critical Care. I feel things are improving; there have been several animals that are now drinking and eating who a week ago were not in good shape at all. I hope we are over the hump. Thanks to those who have contacted me with suggestions.
