Well we are still looking for a newsletter editor so please bear with me. I am getting better with practice.

I want to remind all clubs that sanction fees change starting in January so please make sure your clubs send the right amount of money for their upcoming show.

I mailed out the new guidebook shortly after the convention and have heard of a few members having to pay to get their book forwarded to a new address. If we do not have a current address we are not able to mail you the information that you need. Please sent Tanya your new address if you move. If you do not let us know it only costs the club.

There has been a request to change our sweepstakes awards so that quality point are awarded separate from the rest of sweepstakes award. I feel this is going against what was passed by the membership a couple of years ago. We need to remember that quality point were agreed to because the cost to the club was very small. With the passing of the Lilac variety we just raised the cost of sweepstakes awards and convention and national shows awards by 25% . We have been able to keep the cost of our sanctions fees low compared to some breeds, if we start giving more award the cost has to be recouped some how. Either we raise sanction fees or raise membership. I would really like some input on sweepstakes awards. One club we belong to gave travel mugs for sweepstakes with nothing on them but the club logo. I had no problem with this. I feel the people that needed to know how we did with our rabbits read it in the newsletter or on the web page. The trophy we won the year before was only seen by a few visitors. And Jane had to dust them for a year. Let's have some comments about this issue.

Hope you all have a great holiday! Dallas

Hello to all!

In this issue there will be a lot of items from convention, please take some time and review everything including the meeting minutes if you were unable to attend. The sweepstakes standings also includes the ARBA Convention.

I have contacted the judges based on the ballot results. All are now booked and included in an updated list in this newsletter.

With this election several things have passed that will be quite different for everyone. The Havana National Bids are now due earlier. Please refer to the write-up in the newsletter about this.

Sanction Fees for Open will now be $10, Youth will be free if requested along with the open. This will be effective January 1st.

As always, if you have any questions or concerns please feel free to contact any board member to express your concerns. Remember you have a voice in the club as a member and if you want to see a change in the club please voice your opinion.

Tanya Zimmerman
Havana Sec/Treas

Vice-Presidents Report – Deb Morrison

Hello Havana Members!

I hope that this finds you well and your Rabbitry filled with spring show prospects. Fall show season is about to wind up for this year, but I'm really excited about what the new year will behold. If you haven't already, be sure to mark your calendars for the National Havana show, April 22, 2017 in Hutchinson, KS. The Central Regional Rabbit Club is in the final process of booking judges, ordering awards and making plans for this to be a show to be remembered. Other National shows to be held with our Havanas are the English Spot, Cinnamon, Palomino and Thrianta.

Congratulations to all of the winners at the ARBA Convention in Del Mar, CA. A great time was had by all. Of course the big news is…., the Lilac Havana not only passed the 2nd showing, but they were fast forwarded so that they could be an official variety as of February 1, 2017. The hard work of Julie Spier and her team was apparent as the ARBA Standards committee looked through the Lilac presentation. What a great surprise when the committee announced that they had been fast forwarded past their 3rd showing and will be able to show for BOB come next spring. Great job Julie. Another job well done was Julie's work on the new 100th Anniversary Havana Guidebook that was handed out during the convention. I personally was relieved that it was ready and my traveling buddy, Bill O'Haver was finally going to learn that the Guidebook was dedicated to him and the late Johnette Fleshner, aka Granny Shahan. Bill was greatly surprised and even more so greatly honored to be included with someone as well esteemed as Johnette. If you haven't received your copy of the new Guidebook, please let Tanya know asap.

Until next time.

Deb

Havana Breeders,

A lot of congratulations are in order for this newsletter.

Congratulations to the guidebook committee, it is a very professionally made book. Thanks and congratulations to the authors of the articles, they are very informative and insightful. Thanks to all those that contributed to the history of the club also. It was very interesting to look at past winners and to see the names of those members past and present that this club was built upon.

Congratulations to the Lilac crew lead by Julie Spier for getting the Lilac Havana passed in record time. It will be great to see the Havana variety grow and expand over the coming years.

Another Congratulation goes to Julie Spier for her double win at the ARBA Convention in San Diego.

I also hear that the booth committee deserves congratulations for winning second place in the booth contest in San Diego.

I would like to put in a small plug for the Great Lakes Havana Club specialty shows on April 8 and 9 in Canton, Ohio the same place that the Nationals was held last year.

If anyone would like me to add information, wins or show plugs please let me know so I can add to my newsletter.

Thanks for your consideration, Joseph Colucci

3700 entries crossed the tables here in Watertown, SD Oct 29th and 30th for our state show. We couldn't ask for a better turn out, weather and judges to get through all these animals . Alan Wilts , Deb Hoaglund and Angela Windle came with havanas from 3 different states . It was a nice turn out for us havana breeders.

Winter has hit and the barn is winterized with the heater set at 35 degrees to keep the water from freezing. I do have some babies in the nest boxes, not as many as i want, but I guess it will do. I just need to cull and breeder harder so I can get ready for the nationals shows since they're closer in 2017.

Good Luck and Happy Holidays,

Blaine

Hi Everyone. It sounds like everyone who attended the convention in California had a wonderful time.

Congratulations to all of the winners. It is a huge honor to win a class, BOSV, BOV, BOS and BOB. These are all great achievements.

Hopefully everyone has litters in the nest boxes full of Spring National hopefully. I hope to see everyone there.

A huge thank you to Julie Spier for all of her hard work on the Havana Handbook.

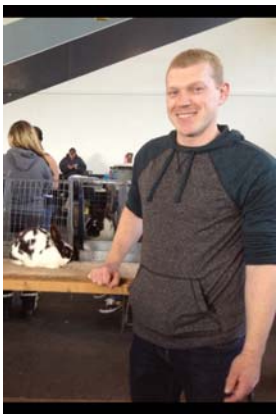
Joan
From the sunny south.

Travis Rudolph with GC Rudolph's Taffy. BOS BOSV Broken Chocolate Havana 2016 ARBA Convention Youth

Directors' Message Alan Rafferty

Has it really been two months since we were out enjoying ourselves in Delmar? Time most certainly does fly.

Congratulations to Julie Spier on her Best and Best Opposite of Breed with her beautiful black senior doe and blue buck and to Grace Jackson and Travis Rudolph with their respective Best of Breed and Best Opposite Sex of Breed with a black senior buck and a broken chocolate senior doe.



The HRBA had reserve in show in the booth decorating contest - my thanks go out to my friends in the Western Havana Owners club who took on the challenge of a second booth immediately following Portland! Your efforts do not go unappreciated and unnoticed! Janel Morris's hand painted back drops are especially beautiful!

The Lilac Havana presentation was once again in the opinion of many, a beautiful one with great depth of quality. It showcased Julie Spier's dedication to the variety, and not only did the ARBA standards committee agree but they approved of them so much that the variety received the first ever fast pass to acceptance following only two showings.

Some surprising announcements came to light on Friday December 2nd. Following review of the rules and given that the earlier convention had allowed for publication of the new standards in the November/December edition of the Domestic Rabbit as opposed to their publication in the January/February edition. The Standards Committee Chair Cathy Szychulda announced that the new varieties accepted in Delmar were showable as of December 1st.
With a pre entry show happening December 3rd (yesterday) and the announcement from our show secretary Dolores Morris that she would accept new variety add on entries by 6pm Friday night - things were moving fast!

Congrats to Kaya Mattis BOB with her homebred Black Sr Doe BOSB with her Lilac Havana Junior buck bred by Dera Moorhead RPSCV Show A & B

I'm pleased to announce that Julie herself took Best of Variety with a senior doe and I was able to take Best Opposite of Variety with a senior buck in both Show A and B, with myself winning BOV in Show C with a junior doe and Julie taking opposite with her senior buck. Julie's broken lilac senior buck took best opposite variety in one show also - if the quality of the presentation group was anything to go by it won't be long before a Lilac Havana is in the Best of Breed spotlight or higher!

Hopefully many of you are planning on attending the Nationals in Kansas in 2017, your senior prospects are on the ground and your juniors are in the box or you are checking the nest boxes with eager anticipation.

Wishing you all the best for the upcoming holiday season and as we say in Scotland Happy Hogmanay! (Happy New Year!)

Directors Message Mollie Judd

Hello Havana youth! Fall show season is coming to a pause as the year finishes out. While you have the month or two off go through your new upcoming juniors. Start thinking about Nationals in Hutchinson Kansas. They are April 22-23. Start looking at your babies now because time will fly. See you in Hutchinson and have a Happy Holiday!!

Happy Holidays From The Great Northwest!

My name is Scott Rudolph and I've recently been appointed director by President, Dallas Meyer. I'm glad to be involved once again in the Havana club. I'd like to give you all a little history and introduce myself to those that don't know me.

I raised Havana's from 1997 until 2006 and had a great time, including winning BOB ARBA Youth in 1998. I'm a licensed registrar and currently raise Californians and Mini Satins along with my sons who raise Havana's and Silver Martens. My sons Travis and Hunter have been raising Havana's since 2012 after getting a great start from Julie Spier and Shaun Smith. They've done very well with their animals including BOSV Broken in Ft Worth and most recently BOS in Del Mar. I'm an advocate for youth and also have a passion for assisting in the growth and improvement of breeds that I love. Previous positions I've held are President, Director and Newsletter Editor of the Silver Marten Rabbit Club, Director and Newsletter Editor of Creme d'Argent Rabbit Federation, currently am Main Club Leader Rabbits Run Wild Youth 4-H (and ARBA) Club and Secretary/Treasurer of Rebel Rabbit Breeders, a local all breed club in WA State.

If there is anything I can do for you, or have a question you need answering, please do not hesitate to contact me. My email is rabbitsnlabs@yahoo.com and my cell number is (253) 279-3313. We would like to wish all of you a very Merry Christmas and a prosperous new year, from the Rudolph Family!

Scott Rudolph
Graham, WA

The 2016 Have A Havana Auction is in the books and once again a tremendous success. This year we had a total of 11 Havanas that sold for a total of $2120.00.

Thank you to everyone who participated in this year's event! I appreciate those who put rabbits into the auction and wish much success to those who bought rabbits. I am always pleasantly pleased at the turnout and interest we have for this auction. As always, I couldn't operate an auction without the help of those behind the scenes. Jim Judd did a fine job as the auctioneer and Jennifer Schultz kept the paperwork with buyers/sellers and final bids recorded. Thank you all very much helping to make the auction run so smoothly.

If you weren't able to go to Del Mar this year, I'd like to encourage you to start thinking about participating in the auction next year in Indianapolis!

Until next time, Have a Happy and Blessed Holiday Season!

Minutes of Annual Membership Meeting

October 10, 2016

Meeting called to order by Dallas Meyer at 9:41 am.

Officers Present: Dallas Meyer, Pres. Deb Morrison, V.P., Allan Rafferty, Director, Lisa Jennings, Director.

Others Present: Jim Judd, KS, Mollie Judd, KS, W. H. O'Haver, OK, Kate Bias, WA, Kathy Bias, WA, Laura Atkins, MO, Larry Atkins, MO, Sarah Lamara-Hill, KS, Annette Hinrichs, CA Julie Spier, CA, Dee Moran, CA, Kelsey Gomes, CA, Angie Finkbeiner, MI, Tom Hinrich, CA

The minutes from the 2015 meeting were handed out. A motion was made by Lisa Jennings to accept the minuets as printed. Jim Judd seconded the motion. Motion carried.

Board of Directors Reports

The Board of Directors, including Lisa Jennings, Amanda Wampner, Bob Bemis, Dallas Meyer, Deb Morrison & Alan Rafferty met on Saturday, Oct, 8th, but could not have an official meeting due to the lack of enough board members to represent a quorum. Unofficial business was discussed about the bid for the 2018 Spring Nat'l Havana show, recent election results, Newsletter Editor, Havana Luncheon and when the Specialty club meeting was scheduled and in what building.

The financial statement emailed from Tanya Zimmerman was handed out and read. Starting balance was $9135.07. Ending balance was $9727.17. There is $1348.83 in Youth Scholarship account. Sarah Lamara-Hill moved to accept as printed. 2nd by Annette Hinrich. Motion carried.

Reports from Committees

Election Committee

As per printed sheet that was handed out at the meeting. Dallas reminded those attending the meeting that judges used to have to have a 75% approval of votes cast, but that has can changed to 50% approval of votes cast. Judges will be approached in the order starting with the highest % and booking them at their earliest convenience and availability to judge the Havanas at the ARBA Conv.

All other Constitution changes passed except for the one about issuing no other sanctions on the same day as the Nation Havana show in spring.

Dallas will still need to fill one Directors position.

Merchandise & Promos Committee – Kelsey Gomes

Dallas thanked Kelsey for her work to get the new club logo. Kelsey gave credit and thanks to Laura Freeman who created the new logo. She also reported that there are 2 versions of the logo to me more functional to use on different merchandise. She is very pleased with the new logo and the merchandise, all of which are available for purchase at the booth. Question about why some of the merchandise had a date of 1916 and others had 1925? 1916 is the year that the Havana was accepted as a breed and 1925 was the year that the Havana club was established. Kelsey had a message from Dera that she wanted to step down as Merchandise and Promo chairman. Kelsey also wants to step down, so we will need to look for someone else to be the head and members of this committee.

Auction Committee – Deb Morrison

Have a Havana Auction will be held 10 a.m. on Tuesday morning. We want to have it after the Lilac presentation to the ARBA Standards committee so that we can support Julie during the presentation which will be at 8 a.m. Rabbits need to be nominated by 6 p.m. on Monday. Rules for the auction are on the table at the booth.

Standard Committee – Bill O'Haver

Lilacs looked really good. 2 years ago he was in doubt when the lilacs first started. Now this year he was well impressed and thought that they had body, fur and color and will be very competitive in the breed. Others helping with the pre ARBA COD presentation inspection were Ruth Ann Bell and Brad Boyce. The ARBA presentation will be at 8 a.m. on Tuesday morning.

Booth Committee

This year's booth was decorated and put together by the Western Havana Owners. Janelle painted the mural again this year. The beach/cabana theme really came together nicely.

2017 booth chairmen will be Katie Boyce and Olivia Myers. Possibility that we may have a real outdoor tail gate for our social. Additionally, decorations may be leaning more toward "Hoosiers" theme to be somewhat different from the past 2 conventions that had a race care theme.

Scholarship Committee

As per info from Dallas, no one has applied for the scholarship yet.

Audit Committee

Financial report from Tanya has been sent to the Audit Committee and there has been no report back from them at the time of this meeting.

History Committee – Larry Atkins

No report

Judges Selection Committee – Blaine Hyde

Report emailed from Blaine and read by Deb Morrison at the meeting.

No names were submitted by members this year to me. Tanya and I shuffled through the current judges hired and added some new faces to be put on the ballot. We put Bryant's name on it without his knowing, out of respect as he is an active member. We noticed some years of convention are fast approaching and no judge has met the criteria. It this committee's recommendation that Tanya would hired a judge for those specific dates. Respectfully submitted by Blaine Hyde, Judges Committee Chair.

A lengthy discussion was had among those in attendance. Questions were asked if they had missed a report in the newsletter asking or reminding members to submit names to the Judge Selection Committee? New and newer members were unaware that they were able to submit names and be part of the process of selecting judges for the ARBA Conventions. Others said that they would have liked to see a reminder and a deadline posted in the newsletter or on the web page about when names should be submitted and to whom they should submit them. Interjected into the conversation was the issue that some of the Directors had issues about knowing when their Directors reports were due for the newsletter. Consensus among members present that there has been a gap in some communications.

Guidebook Committee – Julie Spier

Guidebook is done. Julie did a great job and spent lots of time gathering up info and encouraging members to submit articles and historical club information. A round of applause was given for Julie's hard work. The board had originally voted years ago to not provide a 3 rind binder to place the guidebook sheets into. This was presented to the current board who unanimously approved that the Havana club provide the binder and also approved to use some color pages in the guidebook. 50 guidebooks were brought to hand out to members during the convention. All others will be mailed to members asap.

2018 National Havana Show

Only 1 bid was received from the Great Lakes Havana Rabbit Breeders. As per the Bid Application that was handed out at the meeting. Show date: April 21, 2018 in Canton, OH. Motion by Jim Judd to approve this bid. 2nd by Lisa Jennings. Motion passes.

Havana Banquet/Luncheon – will be held at the Fish Market Restaurant at 3:00 p.m. on Tuesday. We need to know how many are planning on coming to be sure that they have enough seating in our area. Food will be individually ordered off of the menu when we arrive.

<u>New Business</u>

Regional Shows – none were submitted at the time of the meeting. The WHO may possibly plan on having one in Reno, May 6th 2017.

Ad for the 2017 Convention catalog. Motion by Annette Hinrich for the HRBA to purchase a full page ad in the 2017 Convention catalog. 2nd by Alan Rafferty. Motion passes.

2017 Booth Space – This year the convention only allowed each club a maximum of 2 booth spaces. Deb Morrison mentioned that we would probably need 3 booth spaces. Agreed by Annette Hinrich. Motion by Larry Atkins and 2nd by Alan Rafferty for the HRBA to purchase 3 booth spaces at the 2017 ARBA Convention. Motion passes.

2017 ARBA Convention Judges – Open: Bob Koch, Roger Hassenpflug. Youth: Michelle Wojcik

Bill O'Haver would like for the club to look into starting a "Breeder or Member of the Year". Dallas said that we need to look into how to get the process started and possibly creating a committee to come up with the criteria and being over awarding this honor. He reminded the members that committees can be added as needed and does not require a C&BL's change. Jim Judd asked if this would have a Youth and Open portion. Discussion on doing only 1 award per year or nominations and not designating it as either Open or Youth. There were not enough HRBA Board members at the meeting to vote on this new committee. It would have to be done via email after the convention.

Newsletter – Discussion about possibly going to a 4 times a year format instead of the current 6 times a year. Sarah Lamara-Hill asked how much it would save the club to go to the 4 times a year format? Dallas said that we currently only mail out 95 newsletters and the rest are sent via email. We will get the C&BL's committee started on this change. Changing from 6 to 4 times a year will require a C&BL's change. Discussion about the past & present email formats and the trouble we have had with some software and the ability for those who would like to view the newsletter on their smart phones. Additionally, Dallas had trouble being able to revamp file pages so that they fit better onto pages to be printed. We are currently looking for a Newsletter Editor. There is someone who is possibly considering filling the position. Bill O'Haver asked if we could keep the format simple.

Website - Annette Hinrich asked about the sweepstakes only being updated on the Havana web site just prior to the latest edition of the Newsletter being sent out? Website is fully turned over to Kyle Yacobucci and is up and running. We could ask that the sweepstakes be updated more often. Dallas will visit with Tanya about this. Deb Morrison reminded those in the meeting that they could email Tanya any time with questions or updates about sweepstakes and normally she would send a reply within 24 hours or so.

A suggestion from new member Kathy Bias that a letter be sent with guidebooks and membership cards to welcome new members to the club and maybe highlight opportunities and responsibilities as members of the Havana RBA. Seasoned members agreed that we sometimes take for granted that new members will automatically know how the club operates.

Dallas asked for any other new business? Nothing was brought to his attention.

Motion to Adjourn by Lisa Jennings, 2nd by Jim Judd. All in favor.

Meeting adjourned 10:36 a.m.
