President's Message by Dallas R. Meyer

Well not a whole lot to touch on at this time of year. The weather has been very mild around this area and a number of litters have been born in the barns. I just wish first litter does would do a better job of raising litters. If someone has a good idea how to help out on first litter does raising litters, I wish they would share their ideas.

The only thing I really have to report on at this time is that we need someone to take over the web page. I have no idea what this entails so I cannot share a whole lot of information. Julie Speirs feels it is time to give this job up and give someone else a chance to take over. If you would be interested please contact Tanya or Julie and they can answer your questions.

I know the Great Lakes Havana Club is getting ready for the show this spring on April 14, 2016 in Canton, Ohio. There is information on the Web page for this show. Make your hotel reservation. I hope to see you there.

We need for everyone to get their ads for the new guidebook that will be coming out this fall. If you need information on prices for ads look on the web pages for the prices of the ads.

I would like to remind everyone that we all need to step up and help at shows. Often many of us feel we do not have time to belong to local clubs. If local clubs did not have shows where would you take your animals to be shown? There are so many clubs out there that could use some help.

I hope to see you in Canton.

Vice-Presidents Report - Deb Morrison.

Hello Fellow Havana Breeders! I hope that everyone had a very Merry Christmas and Happy New Year? Even though this is the beginning of a new year, it is amazing to think that we are several months into the 2015-2016 Sweepstakes year. I don't really make any New Year's resolutions, but I do like to take a hard look at where I'm at in my breeding program, make a plan on what needs to be worked on and improved then make that my goal for the year. Be honest with yourself about specific faults that tend to repeatedly surface in your show prospects and then be consistent about culling hard when you see that fault. It won't take long before you will see an improvement on the show table and your place in the sweepstakes results.

It time to start planning for the 2016 National Havana show in Canton, OH. Your show prospects should be well on their way; April 16th will be here before we know it. Along with that show, I'd like to remind everyone to plan on participating in the Seller's Class Auction. The Seller's Class is held during the National All Havana show and is organized and managed by the host club of the All Havana show for the following year. The 2017 Natl. show will be April 22nd in Hutchinson, KS. As per the HRBA's Constitution & By-Laws, Article 11, Section 11, the purpose of the Seller's Class is two-fold. 1. To generate capital for the next All Havana Show host club. 2. To provide good breeding stock to interested fanciers, therefore promoting the Havana Rabbit from all aspects. This same Section 11 also states several rules and guidelines designed to help those involved in this auction. Highlights include; rabbits must be entered in the regular show and be accompanied by an appropriate pedigree. Rabbits that are declared for the auction will be judged as one class and placed accordingly. The owner of the first place rabbit will be awarded a free one year membership with the Havana RBA. The rabbits are then auctioned off to the highest bidder. Half of the proceeds go to the seller; the other half goes towards the following year's National All Havana show.

In other areas of business, I have already received a couple suggestions for Constitution and By-Law changes. Please feel free to contact me, Bob Bemis or Blaine Hyde, (Constitution & By-Laws Committee members) with any ideas, thoughts or questions. The C&BL's Committee as well as the Havana Executive Board and the other Committees are here for you the membership. Your concerns, ideas and suggestions are always welcome.

I look forward to seeing everyone at the Spring shows!

Secretary/Treasurer Report - Tanya Zimmerman.

Hello from Wisconsin!!

Wow, what a winter we are having. December was above freezing and now that January is here we've been hit with an Arctic Blast. It's great to know winter is half over and I hope that kind of temps are behind us as we gear up for Havana Nationals.

Sweepstakes have been going smoothly and I have had very few late show reports. Kudos to all the show secretaries as I can then report a pretty accurate standing. Keep in mind, Show Secretaries have 30 days to get me their show reports so if you have just attended a show it probably is not calculated in.

Memberships have been doing down. Just this last expired member purge we lost a few long time members. This newsletter will also have the current membership list attached. I challenge you all to do your part and try to get the non-members you show locally with signed up.

Until next time, I hope you all are finding your cages full of babies for the Spring National in Canton OH!

Director Report - Joan Giesy.

Hi Everyone. Greetings from the sunny south.
It finally cooled off so we may get some coats on the rabbits.
I hope everyone has lots of litters to choose from to show at the Havana National Convention being held in Canton OH by the Great Lakes Havana Rabbit Breeders Association on April 16, 2016. It should be a great show. We are hoping to come up for it this year. Since we missed Portland it will be great to see everyone again. Until then.

Joan

Director Report - G. Joseph Colucci.

Hello fellow Havana breeders, I hope after this weekend the winter is over for most of us. I would like to send my warmest regards to those who went through the blizzard of 2016 on the East Coast. I am getting ready to judge and show at the country's largest state convention. If you can every make it to the Pennsylvania State Convention it is well worth the trip. It is the best run best organized rabbit event I have ever been a part of. I look forward to going to it every year, as an exhibitor or a judge. Thing are coming along with the national in April here in Ohio. I will be including the flyer for this event along with the banquet information. The Hall of Fame Classic is looking at being an excellent spring event. We are going to have 8 nationals and over 8 more specialty shows. Most breeds will be able to judge at least 4 times during the weekend. There are over 2000 hotel rooms within 5 miles of the fairgrounds and hundreds and hundreds of restaurants. I hope you are planning on coming to this event in April.

I haven't heard must from exhibitors around about shows or winnings, but if anyone has any information they would like me to include in my directors report don't hesitate. My email is mrcbunny@roadrunner.co m. Please use this email to request a flyer for the Havana Nationals and for a list of hotel. You can also go to the Hall of Fame Classic Face book page to find information on hotel deals and blocked rooms for the participates.

As some of you might know I am running for ARBA district director, along with David Moll, Pam Jones and Amanda Beebee . Please inform yourself of the issues and don't hesitate to talk to me at any show about question and concerns. All of us are quality people and are excellent candidates so please do your research and the most important thing is to vote. You can't complain or grumble about what is going on in this wonderful hobby that we all love if you don't vote.

Please look for the information on the National in this new letter.

May your nest boxes be full of warm toasty bunnies this winter!

G. Joseph Colucci

Hoping that you can get this pic included. It would mean a lot to this little 5 year old at his very first rabbit show!

Director Report - Alan Rafferty.

West Coast Havana's of late have been a consistent group frequently earning the commendation of judges for the depth of quality we exhibitors are putting on the table, reflected in the numerous Best in Show and Reserve in Show win's the breed has earned since Convention.

After Convention and the Holiday Season our thoughts and efforts turn towards the big spring shows. Nationals is being hosted by the Great Lakes Havana Rabbit Breeders Association at the Stark County Fairgrounds in Canton Ohio on April 16th. We have a superlative judging lineup for the National with Johnny Haussener, Michelle Wojcik and ARBA Executive Director Eric Stewart judging open. Breeder judge and HRBA Director, Kyle Yacobucci has the privilege of judging the youth. East Coast Havana Organization will be hosting a day of show entry Specialty show in addition on the Saturday. Hopefully you'll also consider entering a consignment into the Seller's Class to be held immediately following the National show. I know I'm watching a few of my best juniors for an animal of a calibre befitting the auction!

For those on the West Coast don't forget about our Regional Show hosted by the Western Havana Owners coming up in concert with West Coast Classic April 8-10. West Coast Classic is back in Reno this year and those who have attended this premier event before will tell you it's not to be missed! The show committee puts on an incredible show with some of ARBA's finest judges handpicked to give exhibitors a real treat. Speaking of treats the Western Havana Owners are deep in planning a Havana Social to outdo any that have come before. Verdi Local http://www.verdilocaldistillery.com, a Reno distillery has agreed to open on the Friday from 7-9pm for a free private tasting session of their exclusive blends. The WHO will be providing water/soft drinks for the youth and those who don't wish to imbibe as well as pizza. We ask that those who wish to attend please RSVP to MaryJo Kivi at rkivifamily@juno.com to allow us to plan accordingly. For the first time we are planning a Question and Answer session on Havana's during the social – while it is being tailored towards benefiting the youth breeders planning for Convention it will be a great opportunity to further educate potential, new and experienced breeders of all ages from a select panel of National level breeders.

For those planning on attending ARBA Convention in Delmar, October 9-12 it's time to start planning out the pairings for your juniors. In my herd I take into consideration when animals from specific pairings that have worked out well previously, prime out and plan on having animals born to fit into that window for best finish on show day. I generally try and avoid doing those experimental crosses in favour of tried and true nicks, making things a little more predictable as far as projected outcome, is for me less nerve wracking when it's the show string for the Convention on the line! The juniors must be born after April 13th to be legal, but in my herd I find most of my animals are at their best junior prime around 5 months of age and senior prime around 7 months. Your herd may vary and that's where careful evaluation and tracking of traits with your own animals comes into play.

I'll close in wishing you all much success in the breeding shed and on the show table wherever that may be. I know I am looking forward to catching up with friends and meeting new ones at both the Regional and the National show's in April, until then best wishes!
