Well the National Show in Hutchinson is just around the corner and will be here before we know it. I am hoping the fur will finish out before the big weekend. I am very pleased with the animals that I am keeping my eye on. After last summer and all the problems we were experiencing I am just glad to have a few animals to bring.

Havanas have just been ruling the shows the past couple of months. You can find a list of big wins in the newsletter and I have included a number of pictures of animals that won from different shows. I want breeders to know that I will not publish the ear number of the animal with the picture. There have been some breeders finding out that their animals are falsely showing up on pedigrees. I have a hard time believing that breeders would do such things, but it does happen. I was registering an animal one time and the owner changed the name on the animal that they bought so the actual breeder was not getting credit for breeding the animal. We all work to hard to raise animals that we are proud of and we all deserve the credit we are due so please be honest on your pedigrees.

You will find a page in this newsletter that needs to be filled out if your club is wanting to host a spring national. It would also help if you let Tanya or a director know that you are thinking of bidding a spring national. This bid has to be postmarked by July 1st.

If you are going to run for the board as a director or as an officer the requirements have changed for this process too. Please go to the web site and read the requirements in the constitution. I am not running again so there will be one spot open here. We are currently short one director and I have heard that another director is not running again. I hope that there will be a number of people step up to fill these spots.

We are in the process of coming up with awards for the national convention this fall. If you have any good ideas please contact Amanda Wampner, Tanya Zimmerman, or myself. Please remember that big awards look nice but can be a real problem transporting them home. There are a number of people flying or packed real tight in vehicles driving many hours. If you can think of something different let us know.

If there are any judges that you would like to see judging the Havanas at upcoming conventions you need to submit their names to Blaine Hyde. Please remember that a number of the judges are getting up there in age and we are looking for judges for at least five years out.

Hope you all have a safe trip to and from Hutchinson in a couple of weeks. I know that most of you are waiting on the Juniors to be born for Indy this fall. Very exciting time right now.

See you all in Hutchinson, KS in April

Dallas R. Meyer

Hello fellow Havana breeders!

Spring is finally arriving and the National Show is right around the corner. Good Luck to all the exhibitors.

Don't forget to run for the 2017 opening board positions. The positions that will be voted on this year are President and three director positions. If you are able to be a voice for the membership and would like to serve in one of these positions please compete the nomination form located on the club website and return to me by July 1st. If you live in an area with limited Havana breeders start now so you have time obtain the required signatures.
July 1st is also the deadline to submit names of suggested judges to the committee.

Also new this year, National bids need to be postmarked to me by July 1st. Bids should be completed on the Havana RBA National Show Bid form.

Please remember that the constitution and by-law change recommendations are due to the constitution committee by June 1st. The constitution and by-laws can be found on the HRBA website. If you feel there is something that needs to be updated please contact the constitution committee.

Reminder, if you have moved, plan to move, or have any change in contact info, please take a moment and contact me with those changes.

If you have any comments, questions, or concerns please feel free to contact myself or any other board member.

Vice-Presidents Report – Deb Morrison

Hello Havana Members!

Since tomorrow is the Tulsa RBA annual spring shows and as club Secy, I have a plethora of things to do today, this is going to be short and sweet….I hope.

First off, several reminders in the area of club business. If you are planning to run for an HRBA Office, that petition needs to be to Tanya Zimmerman by July 1st. Additionally, as per changes in the C&BL's, bids for the Spring National Havana show must now be submitted by July 1st. If more than one bid comes is received, they will be placed on the Official ballot and the membership as a whole will able to vote for the next National show. Officer petitions and National show bid forms can be found on the Havana web site or by contacting Tanya Zimmerman. Speaking of the Havana web site, kudos to Jim Judd for stepping in to take over the reins. From what I can tell, web design is a bit time consuming and sometimes limited by one's software ability and the versatility of the web that is being used. Bottom line….Julie you spoiled us!!!!

Next item is the upcoming Spring National show, April 22nd in Hutchinson, KS. Entry deadline is **April 10, 2017**. This event has a no ear number entry process. Entries must indicate breed, variety, class and sex of each rabbit entered. Ear numbers are not required until check in. Send Entries by mail or email to: **Nancy Kennedy, 2484 151 Rd., Atlanta, KS 67008. $8.00 entry for national shows** .**Checks made out to Central Regional Rabbit Club.** We will also have a Havana Specialty show and an All Breed show on Sunday, both will be day of show entries. Additionally, for those who have other breeds besides those showing in the National shows, there will be cooping and cooping for sale animals. Florida Whites will have a specialty show on Saturday even though they are not one of the breeds hosting their Natl shows in Hutchinson. Final awards have been ordered and are in the process of being prepared. I'm really excited about the awards that will be offered this year. For more info on the show, look for the show catalog in the Havana News or the Havana web site.

Denise James will be organizing the raffle table. She is looking for raffle items and help with managing the booth. The raffle table is a great place to find a much needed seat and visit with exhibitors. I also would like to put in a plug for the Seller's Class Auction. This auction helps play for awards for the National show next spring. Unique to this auction is that a judge will place all of the Havanas in the auction and the owner of the 1st place rabbit will be awarded a free year membership to the HRBA. Plan to help support this auction by donating or purchasing a rabbit.

Indianapolis Convention babies should be in the nest box and or soon to be in the nest box. If you haven't already started to make plans to attend, I suggest that you do that in the near future. Indy puts on a great convention and it sounds like initial plans for the Havana booth and social will be a must event to attend. Stayed tuned for more info as we get closer to the convention.

Hope to see everyone in Hutchinson!

Hello Havana Youth!! I have seen a lot of winnings being posted on Facebook so congratulations to all of you. Nationals is less than a month away and I am very excited to meet you. I hope you have many promising rabbits you can bring to Hutchinson. Entry deadline is April 10th. Saturday for lunch there will be a pizza lunch social for the youth. It would be a great opportunity to meet other breeders and make new friends

Dear Havana Breeders,

I am sorry I am going to miss Nationals, but I knew when we voted on it two years ago I was already hired to judge in Michigan. I wish the Central Regional Rabbit club of Kansas a very successful Nationals. I wish everyone safe travels and a great experience.

I also wish those who are showing Lilacs for the first Havana Nationals the greatest success. It has been a long journey for all involved. I have to admit I was skeptical at the beginning, but now that I have seen some of the final results I think the Lilac will be a good addition to the breed. Now we have to work on the varieties we have and make them all competitive. It is time to concentrate on the five varieties for the foreseeable future and not worry about adding anymore varieties. We have a very competitive breed. Every weekend I see Havanas winning big awards at shows. It's time to take our breed and promote those winnings into making the Havana breed, a breed to reckon with week in and week out. We cannot be distracted with adding more varieties or think that by crossing other breeds into it will improve the Havana. We have a strong breed right now let us not mess with it. Just because it quakes like a duck and walks like a duck and looks like a duck doesn't mean it's a better duck, because sometimes ugly ducklings (yes swans) ruin the litter. This discourages new breeders and makes them lose faith in become discouraged.

Let's Muster the Luster not muddle it!

I want to thank Dallas for agreeing to run the Breeders Choice auction for me and thank everyone in advance for donating a Havana. I am excited about the awards that are being made for next year.

Thanks again good luck to those going to Nationals and see everyone in Indy in September.

G. Joseph Colucci

Hotel is booked, the rabbits look terrible, it must be time for nationals! Everything that I've been keeping my eye on is in between coats as of today. Hope something surprises me as we get into April. I've been trying every trick in the book to get them ready, but I'm sure nature just needs to take its course.

My local club will be hosting a double open single youth with a Havana specialty on June 3rd, which is my birthday. I know it maybe a drive for many of you, but you are all invited to the show and we'll see what the birthday bash at night brings us.

With spring in the air, that means there are softballs flying around here. I'm a huge softball junkie. Two years ago I broke my ankle and leg playing the game, so I've been on the bench since then, but I got a feeling this is my year for a return. I've been know to skip some summer time rabbit show just to play some softball, which doesn't make my mom very happy; she thinks rabbits are safer.

Hope to see those familiar faces at nationals.

Blaine
