Well I am pleased to announce that we have a new webmaster. Jim Judd has stepped up to take on the job of keeping up the website. If you have a big win and want your picture on the web page contact Jim. His email is JuddFamily1995@yahoo.com. Thanks Jim for doing this. You will all get a chance to meet Jim and his family at the National Spring Show in Hutchinson, KS.

Deb Morrison has written an article that would be a must read if you are planning on going to Hutchinson, KS the weekend of April 22/23, 2017. There is also a flyer for all the shows being held that weekend in this issue.

For most of us across the country we are starting the spring show season. Take time and meet new breeders and answer questions. I have tried real hard the last couple of years to go ask new faces where they are from and try to show them a friendly helping hand if they need it. Also, when selling new breeders rabbits don't sell something that you would not want to keep in your barn. A number of years ago a young couple had a son that wanted to show rabbits and asked me to help them find a rabbit. They did not want my breeds so we walked around the show room until I found a breeder that had no sale ads on his cages and asked if he could find the young boy a pair. He did and was very kind to the pocket book of the young family. The dad asked why I asked that gentleman for a pair I explained that everything he brought to show he was planning on taking them home so I knew we would find some nice animals. Get new breeders started off right.

If you are planning on running for an office or director make sure you get the signatures that you need and follow the new guidelines for running for these positions. I will let you know right now that I will be stepping down from my position at the end of my term. I have an interest in trying to build up our state club. We have been slipping in membership the last couple of years and I hope I can help turn it around.

At this time we need to appoint a director and was hoping someone would like to step up and offer to filling the rest of Kyle's term. If you are interested please contact me and the board will be making a choice. See you all in Hutchinson, KS in April

Dallas R. Meyer

Hello from Wisconsin!!

Wow, what a winter we are having. It's great to know winter is half over and I hope the coldest temps are behind us.

We have a new webmaster, Jim Judd. Jim has been doing an excellent job of getting the website up and running. I can't wait to see all his new ideas put into place…. keep checking back for updates.

Sweepstakes have been going smoothly and I have had very few late show reports. Kudos to all the show secretaries as I can then report a pretty accurate standing. Keep in mind, Show Secretaries have 30 days to get me their show reports so if you have just attended a show it probably is not calculated in.

Memberships have been doing down. This newsletter will also have the current membership list attached. I challenge you all to do your part and try to get the non-members you show locally with signed up by bringing along membership forms to each show or when you sell to a new member include a membership in the purchase.

Until next time, I hope you all are finding your cages full of babies for the Spring National Show.

Vice-Presidents Report – Deb Morrison

Hello Havana Members!

Spring isn't quite here, but Havanas have been burning up the winter show tables. Congratulations to everyone on the big wins and even those who were knocking on the 1st Best of Breed with our new Lilac variety. I'm really getting cabin fever and itchy to get a few of my own spring prospects to a show in the near future. Speaking of shows, the 2017 National Havana show will be upon us in a few short months. You can find the show flyer and information on that show elsewhere in this issue of the Havana News. I hope to see you there.

I've have been reading through the latest edition of the Domestic Rabbit magazine and noticed that there are a couple common ideas in several of the articles. The subjects are show rules and 2017 goals. The one rule in particular is from the ARBA Official Show Rules under the heading of "Entries/Exhibits", Section 23; **No substitutions, changes or additions will be allowed in a breed after judging of the breed has commenced.** I know from local experience that we sometimes are a bit lax on this rule, in the name of "this show must go on", give the exhibitor the benefit of the doubt and allow comment takers or exhibitors to make changes while the breed is being shown. But it never fails, there seems to be that one exhibitor who always seems to make a habit of breaking this rule. So, I would like to encourage everyone to make one your 2017 goals to be….make sure that your entries match ear #'s. Like I tell my boys, "be part of the solution, not part of the problem".

Several months ago, someone asked be about my thoughts and ideas on culling through potential show prospects. Our fantastic new guidebook has several great articles on the subject written by successful Havana breeders. I would like to take those articles a step further and have you consider planning and scheduling specific breeding dates. This may be common practice for us "old timers", but humor me for the sake or those new to the rabbit world. Most local shows will occur about the same time every year. Then we have the Spring National shows which normally have their dates set at least a year in advance and in addition, the ARBA Convention will have dates 2 years in advance. This gives us a good idea of what shows we might want to attend, so the next step is planning a breeding schedule to have rabbits at the correct age and at their prime for those show dates. I keep a calendar with show dates and count back 7 months plus a few extra weeks and mark that as a breeding date for a specific show. If your juniors tend to be on the large side when they are about 6 months old, you may want to give yourself a few more weeks so that they are closer to 5 months old for the big show. This pre-planning method reduces the angst of having a very nice young junior getting beat by another very nice junior who might be 6-12 weeks older and have an additional 1 or 2 lbs. on the younger junior. That's when you think, "man I wish that rabbit would have been born 2 months earlier". Same goes for that 6-1/2 month old senior; it's just hard to compete with others that are mature and in their prime. While you're in a pre-planning state of mind and before you decide on a breeding date, go ahead and look at the calendar to see where you might be in 30 days. It may save a litter or two if they are NOT born while you are gone on vacation or a 2 day rabbit show. We have a kids animated movie featuring a wise old goat whose catch phrase is; "Be prepare, be prepared, this message must be shared"! Take some time to pre- plan and plan to be a winner!

Until next time, God Bless!

Hello Havana youth! I hope you all had a fun time off from all the shows spending time with your families. Nationals are less than three months away and I hope you have several rabbits to choose from. Don't forget to start planning your breedings for convention. I look forward to meeting you and your show rabbits in April.

Hi Everyone,

I hope everyone has nest boxes full of hopefuls for the Havana National Show in Kansas on April 22& 23, 2017.
Hopefully everyone has been able to get their does bred during the cold months. I am excited about the nationals in April.

Everyone should check out the on line store on our website. There are lots of great items for sale.

I hope to see you all in April.

Good day from dreary, foggy Illinois! Soon the spring show season will be upon us, closely followed by Spring Nationals for every breed- including Havanas! Our National show is in a couple months in Kansas. I'm sure the Kansas group will put on a great show! This will be the first National show where our newest variety can be shown- do you have your lilacs ready? Our first show of the year here in Illinois is coming up quick. We have several committees that need the help of talented volunteers that are passionate about Havanas. You'll find a list elsewhere in this newsletter. Please consider donating some of your time to help this club promote the Mink of the Rabbit Family!

Molly Judd

With both of her Best In Shows

Missouri State Convention

Greetings from the GREAT NW!

Fortunately for the boys, the Havana's have actually been breeding "like rabbits" this winter. Unfortunately the Mini Satins didn't get the memo! We have had an unusually cold winter here in WA, we were well below freezing for nearly 2 weeks straight. So out with the crocks and off goes the auto watering system. First groups of Lilacs are being born and the boys were able to show their first Broken Lilac Doe at a show in Idaho a few weeks ago. She took BOV in one of the shows. Unfortunately this year we will not be able to attend the Havana National show and are planning on attending Indianapolis. Currently we are tentatively planning on 2018 in Canton, OH!

I'd like to close with a few thoughts on the youth! They are our future. I, as an adult in this industry feel that you can't be too nice to the kids! Cut them a break, sell them a bred doe, maybe even one that you are done using, but can still produce. Travis & Hunter have been so incredibly fortunate to have such amazing adults mentor them since getting into this breed 5 years ago. This hobby isn't about making money...lord knows none of us do!! So why not make it a great experience for the kids? Keep promoting this breed. Wear your Luster gear at all the shows. Donate quality animals to online auctions, local show raffles, or that one kid that always shows up, always helps out, but just can't catch a break raising animals that don't quite meet the standard. Sometimes it just takes that ONE animal to help ignite something fierce inside of them!

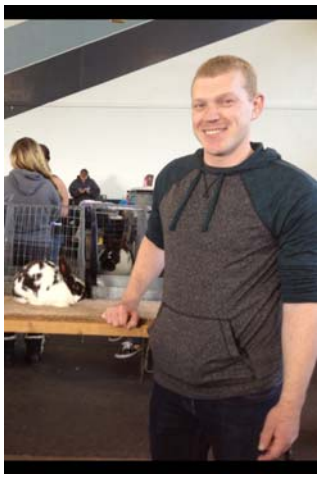
Hope you all have had a safe winter and best of luck to you all in the upcoming spring show season. Baseball starts for us in a few weeks and will be beyond busy between baseball and bunnies!

The first Lilac Shown

Remember the Havana National Show

April 22, 2017

Hutchinson, Kansas



From fires to floods, the West doesn't do anything by half measures! Several California towns have been forced to evacuate due to the long awaited and much needed rain and snow we've been receiving. Fortunately no breeders were seriously affected in our area that I'm aware and we've all been enjoying a very busy winter show season with a very full calendar of many shows to choose from.

Things have been very exciting for those involved with Havana's as since the December 14th show in Hollister when a Havana took Reserve in Show, there's been an six show weekend streak of Havana's taking at least one Best in Show at each. Our most recent big win was February 4th at the Big Valley Rabbit Association show where Julie Spier's lovely black Sr. Buck took a Best in Show for her.
Lilac's have hit our show tables and made an impression too, with Kaya Mattis getting a Best of Breed with a broken lilac junior doe at the Santa Rosa show in early January.
With several new breeders (many new youth) getting involved and a few breeders returning to the breed things are looking good for the breed in this region of the country.

In the last newsletter issue, President Dallas Meyer asked for input on the suggestion brought before the Board by a club member to split the Quality and Sweepstakes awards from their current joint award into two separate awards.

I am very pleased that Dallas has brought the issue to the fore front for membership opinions and discussion and look forward to hearing the thoughts of others.
While I recognize the added expense of procuring awards for the Lilac's as our fifth and latest variety, I feel that the membership deserve recognition for their efforts in exhibiting fine specimens of the breed.

While some have the ability to show large numbers of animals and some are able to hit a great number of shows and thus do well in the sweepstakes arena. I feel that the quality points award deserves to stand alone from and not merely as an after-thought - following on at the bottom of the sweepstakes plaques as it does - in recognition of those who may only have a small number of animals they show but are consistently winning with those few animals at the Variety, Breed and Show level.

Sanction fees account for a sizable portion of the clubs income, slight over half the clubs income in the most recent balance sheet. In order to continue this revenue stream we need to ensure that exhibitors see value in the sanction fees paid.
I am adamantly opposed to any possible reduction to our current awards program. Other clubs have actually seen increased revenue in the form of more sanctions when specials were increased. Giving people more incentive to get out and promote the breed can only be good for the Havana rabbit.

At the time of writing we are but a little over two months away from Havana National's in Hutchinson, KS - I'm once again looking forward to attending and spending time with all. Hopefully your animals are promising in their development and may they finish on schedule! Time races on and we are drawing to the close of the time frame for getting those seniors bred for convention!

Until my next report, muster that luster and promote those Havana's!

Alan
