President's Report by Dallas R. Meyer

Well hats off to the crew from Kansas and Oklahoma for putting on a very nice show in April. Things went very well and it seemed that a good time was had by all. The food at the banquet was really good. Sometimes the banquet can be a big let down but the Hotel did a good job. Congratulations to all the winners, you will find a complete list of class winners in the newsletter.

If you are planning on running for an office or director position just a reminder that petitions have to be mailed by July 1. You can find the complete requirements for running for office in the constitution on the web site at www.havanarb.net. We do need a number of people to run for director and president I will be stepping down after this term. Another reminder is if you would like to submit a judge's name for consideration for judging a national convention send Blaine Hyde the suggestions.

I have been working with Lands' End on getting some Logo Shirts and other items. You can now go to Lands' End Business Outfitters and put the Havana Logo on almost any item they offer. On page 6 you will find all the information that you will need to order items. The logo looks real nice and by using them we do not have any money tied up in items that we are hauling all over trying to sell. They have a large selection of both men's and women's clothing. When talking to them they said if you find something on their regular Lands' End web site that is not in the Business section just call and ask if our logo can be put on it. Most things they have we will be able to get. If you sign up for email updates you will be notified when they are running specials. Please go check this out. When you are wearing a Logo shirt or apron you are promoting our club.

The national convention in Indy is just around the corner. I hope you all have little ones running around that are your hopeful winners. Please plan on attending our get together and meet people from other parts of the country. This will be the Meyer's thirty-third convention and we have met a lot of nice people over the years. We are always looking to meet up with old friend every year. Hope to see you there.

Hello Havana Breeders

First I want to congratulate all the winners at the Spring All Havana National in KS. Wish I could have been there.

With the sweepstakes year coming to a close on July 31st, please take a minute to look at your points. If you feel there is something missing please feel free to contact me. The sweepstakes listing in this report contains all of the reports I have received in hand by the newsletter deadline, so if it was a show within 30 days prior to the report it may not be included since clubs have 30 days to turn them in. Reminder to all exhibitors that show jointly, all exhibitors need to be members to earn the points. Points are awarded based on how you enter the shows, so please be consistent if you want your points to be all under 1 total. Example: John Doe entered individually at a show in March and then entered as John & Janet Doe at a show in April. The points will be listed as 2 separate totals.

As always if you have any questions or suggestions for the club please feel free to contact myself or any of the board members and we will be happy to help you. I hope you all have a safe and cool summer and are gearing up for the ARBA Convention.

Vice-Presidents Report – Deb Morrison

Hello Havana Members!

Summer is upon us and here in Oklahoma that means the end of the spring show season. I want to thank everyone who attended, supported, entered and judged at the 2017 National Havana show in Hutchinson, KS. The joint effort between the Havana, Cinnamon, English Spot, Palomino and Thrianta clubs was a tremendous success! It's not too early to start thinking about and making plans to attend the 2018 Spring National show in Canton, OH.

Meanwhile, it's time to get into a "Convention" state of mind. Show catalogs can now be purchased, hotel rooms need to be reserved, and those show prospects should be growing into class winners. I'm looking forward to attending another convention in Indianapolis. The show staff has lots of convention experience and knows how to run a well attended show. Please stay tuned to the Havana web page and our facebook page for updates on specific plans for the Havana booth, need for volunteers, auction, meeting and luncheon etc.

This time of year is also when club business takes place. Don't forget that July 1st is the deadline for National show bids, officer/director petitions and any C&BL's changes to be submitted. Shortly there after, ballots, if necessary, will be in the mail. Please be sure to mark your ballot and return it while it on your mind. If I don't do that immediately, it tends to be put "outta sight, outta mind". This is your time as an adult member to have a voice in the Havana club.

Until next time, God Bless. Look forward to seeing everyone in Indy!

I will not be running again for a directorship in the Havana club. I appreciate all the support and confidence those who have given me this honor over the past twelve years. I think those I have worked with over those years have done much to improve the club. I hope that the future directors and officers will continue this success.

I have been building a new barn, my third time at this, and haven't been showing havanas much lately. I have noticed at many shows I have judged at the numbers have been sporadic. The quality is always good and on the Best in Show table they are always in the hunt. I have over the past few months sent a few pairs and trios across the border to Canada so there is interested in the breed.

Thanks again for letting me be a director over the years. I wish continued success to the club an those who choose to run for office.

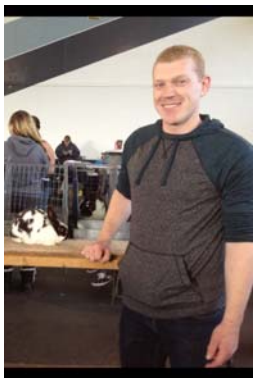
Let's continue to "MUSTER the LUSTER!"

G. Joseph Colucci

Hello Havana Youth!

First of all congratulations to the winners of Nationals. The rabbits I saw in Hutchinson were beautiful representations of our breed. A big thank you to Brad Boyce for judging our national show. Also thanks to the generosity of the board of directors, 15 Havana youth got to enjoy a pizza lunch and get to know each other better.

I hope many of you are planning to come to Indianapolis for ARBA Convention. I would like to personally thank Madelyn Yalowitz and wish her the best in her future endeavors. When I moved to Kansas Madelyn was a mentor and a friend. She represented the Havanas well. Molly Judd, Youth Representative



Well, Havana National's was a fine experience, not only well run by an experienced and efficient crew, but highly enjoyable besides with the hosting club going above and beyond to make everyone comfortable and feel welcome. Congrats to all the open and youth winners from the class winners to the Best of Breed level! Those classes were competitive to say the least with quality running deep!

Of especial note I'd like to draw attention to a local youth Amelia Acomb whose single entry - a Lilac, homebred by her - won Best Fur in the National and clinched Best Opposite of Breed in the after specialty. It's wonderful to see the new variety taking off in quality, if not in number just yet!

With National's over and the show season out here on the West slowing down somewhat owing to the upcoming heat, thoughts and plans shift towards prepping for Convention in Indianapolis. With the earlier than norm date this year, I bred my animals a little earlier for this year's Convention to try and get animals in the age range where genetically they are likely to prime out. Now it's down to conditioning practices and hoping the stars align and the coats finish!

Breeding for the fall show season is well under way - in order to have animals ready and available to hit the number of shows I attend annually as a "judge's sidekick" I breed year round. A tip to keep litters from overheating in the hotter months - besides removing excess fur and nesting material - is to switch out the solid bottomed boxes for ones with screen bottoms. Until this past year my rabbits lived in a pole barn under trees without the advantage of any kind of cooling beyond green leafy shade and whatever breeze sprung up - and screen nest box floors were definitely a lifesaver!

Should anyone be interested in running for office or have judge suggestions for future ARBA Conventions remember to have those forms postmarked and mailed off to Tanya and those Havana judge suggestions into Blaine and/or Tanya by July 1st. In addition for any member with 3 years standing within the club who is pursuing higher education be sure and apply for the Havana Rabbit Breeders Association Continued Education Scholarship by July 15th. All applicable forms may be found on the new and updated website at http://www.havanarb.net/forms.html. This is your club. Make the most of it! Alan Rafferty

Greetings from the GREAT Northwest!

It has been fairly slow around here, show wise. Our show seasons are a little different than a good portion of the country. Since the last newsletter I think we have had a grand total of 5 shows in our district! But will be picking up rapidly with our state convention the last weekend in June and then full force fair season July-September!

Youth numbers have increased around here with 2-3 new exhibitors in our area but still only a couple adult exhibitors. It's it funny how certain breeds have huge numbers literally, 2-3 states away and then rarely see enough for a leg in others? What else can we do to promote? The boys have sold quality brood animals and some show quality animals to new prospects. They have also donated some animals to online auctions. Fortunately here in our area that quantity isn represantive of quality as we have Havana's win or get mentioned on the Best In Show table frequently.

Hopefully everyone is prepared for the heat that is sure to reek havoc this summer. Remember to clean your fan blades and motors very thoroughly before planning on using them. We had to replace our attic fan in our barn already and just in time for our summer that usually begins on July 5th! That is a local joke as we usually have rain on the 4th!

Hopefully everyone has a great crop of babies already growing for their Convention entries!

Respectfully submitted, Scott Rudolph, Director, WA State

A MESSAGE FROM THE WEBMASTER

Have you checked out the website lately (havanarb.net)? It's a great place to get the latest updates on: Upcoming Sanctioned Shows, Sweepstakes, Show Reports, and to see some of the "Big" Winners. It is also a great resource for information, contact information for all the Officers and Committees, Breed History, and much more.

We are adding a couple of new pages in the very new future. The first will be a Regional Club Page, with information and contact information for those clubs. Secondly, we will be adding a "First Time Winner" page. Remember your 1st BOB / BOS "Big Win" this page will recognize those for new exhibitors.

Remember if you want to be listed in the Breeder Directory please send me the following: Rabbitry Name, Your Name, City, State, Contact info in the form of Phone and / or Email address along with the different varieties that you raise. Breeder Directories will be posted by Variety and State to make it easier for someone searching.

Thanks, Jim Judd
